Ratliff

rooted in people

Beth Sweeney is President and Equity Partner of Ratliff, the largest full-service talent management consultancy in the Midwest. She has fully integrated P&L responsibility including strategic and growth initiatives, sales and marketing, new product development, operations, and client solutions for all three lines of business: Executive Search, Leadership Development, and Career Transition.

Beth most enjoys working directly with clients, learning about their businesses, their talent challenges and designing impactful solutions. Her other work passion involves the development of emerging leaders and providing guidance in the areas related to executive presence, public presentations and personal branding.

Prior to joining Ratliff, Beth was SVP and General Manager for a global talent management organization. She previously served as Corporate Director for Marketing and Public Affairs at The Mt. Sinai Medical Center in Cleveland as well as more than four years with WKYC-TV3 as a Producer and Reporter.

Inside the halls of Ratliff, you just might see/hear Beth break into a musical theater review; her favorite at the moment is singing all major roles in the opening of Hamilton!
